STAT

[redacted] has told me about your very useful visit with the [redacted] Analysis Branch. They obviously found your suggestions for further work that we could do in this area to be immensely useful and already are proceeding to develop proposals for additional activities and publications.

STAT

I just wanted to thank you personally for helping us in this area. Work by this Directorate [redacted] is long overdue but at last we are underway. Consultation with and advice from people like you will help us to catch up faster.

STAT

Sincerely,

Robert M. Gates
Deputy Director for Intelligence
